Berli Jucker Public Company Limited
บริษัท เบอร์ลี่ ยุคเกอร์ จำกัด (มหาชน)

Quality Management System Certification

Support answer: 1.10 Product Quality & Recall Management

Topic: Product Quality Programs

Report Year: 2025

At BJC, product safety and quality are fundamental principles that reflect the overall characteristics of our products and their ability to consistently meet or exceed the specific requirements and expectations of customers and end users. BJC is committed to ensuring that all products are safe for consumers and users when used as intended or under reasonably foreseeable conditions.

Factories within the BJC Group have obtained certifications in accordance with internationally recognized standards, including ISO 9001:2015 Quality Management System, as well as relevant product safety standards such as GHP, GMP, and HACCP, among others. These certifications demonstrate BJC's commitment to maintaining effective quality management systems and high standards of product safety across the following Business Units:

Supporting evidence of ISO 9001:2015 Quality Management System certification and other relevant certifications is provided as follows:
